

NATION BUILDING

CREATING A WHOLE
NEW WORLD

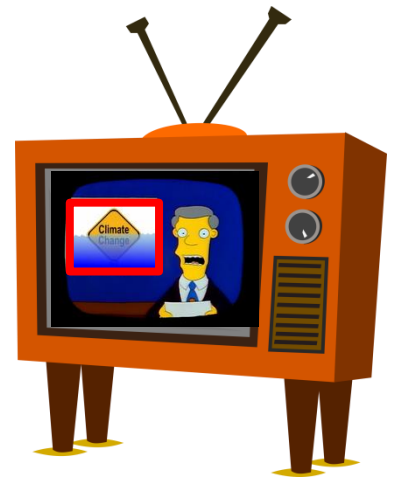

THE SITUATION:

“Due to climate change, several *new continents* have emerged from the sea.

Migrants have been flooding to these new lands.

To avoid conflict and anarchy (chaos), it is vital that nations develop ways to *organize society.*”

YOUR ROLE:

TOP SECRET **MEMORANDUM**

TO: ALL ACTIVE AGENTS
RE: OPERATION NATION-BUILDING

You have been selected, due to your knowledge of culture, as a Founding Father/Mother for your country.

Your country is in desperate need. Your people need to be organized into a working society.

You must complete a series of nation-building tasks.

Some of these tasks will be done in groups. Most will be done alone.

Good luck.

United Nations Emergency Task Force on Climate Change
(UNETFCC)
