SAVE THE ALIENS!

1. Choose one alien from the list above. (I have numbered them for your convenience!)
2. In the space below, explain why the alien **CAN** or **CANNOT** live in each of the climates listed below. (Please focus your arguments on the CLIMATE conditions.)

Alien number:

Desert:

Humid continental:

Humid subtropical:

Marine west coast:

Steppe:

Tropical rainforest:

Tropical savanna:

Tundra:

Subarctic:
