

# Time Zones

Name: \_\_\_\_\_ Period: \_\_\_\_\_ Date: \_\_\_\_\_

Using the map above, answer the following questions (Remember to label your answers with am or pm!):

1. If it is 3:00pm in Minneapolis, MN, what time is it in...
  - a. Denver, CO? \_\_\_\_\_
  - b. San Francisco, CA? \_\_\_\_\_
  - c. Atlanta, GA? \_\_\_\_\_
  - d. Anchorage, AK? \_\_\_\_\_
2. If it is 1:45am in New York, New York, what time is it in...
  - a. Salt Lake City, UT? \_\_\_\_\_
  - b. Los Angeles, CA? \_\_\_\_\_
  - c. Detroit, MI? \_\_\_\_\_
  - d. Honolulu, HI? \_\_\_\_\_
3. If you get on a plane in Los Angeles, CA, and depart at 4:15pm for a four hour flight to Minneapolis, MN, what time will it be in Minneapolis when you arrive? \_\_\_\_\_

Pay close attention to the time zone lines!

The Prime Meridian

The little numbers tell you how many hours you are ahead (or behind) the Prime Meridian.

Using the map above, answer these questions (Again, remember to label with am or pm!):

- How many hours difference is there between where we live in the United States and Iraq (marked with a black star)? \_\_\_\_\_
- Different shades of gray represent different time zones. How many time zones are there in...  
 a. South America? \_\_\_\_\_ b. Africa? \_\_\_\_\_
- If it is 4:00 pm in eastern Brazil, what time is it in...  
 a. Western Brazil (Hint: It's green!)? \_\_\_\_\_ b. Florida? \_\_\_\_\_
- If it is 3:26am in Saudi Arabia (marked with a red star), what time is it in...  
 a. Cairo, Egypt? \_\_\_\_\_ b. Pakistan (marked with a orange star)? \_\_\_\_\_  
 c. Tanzania (marked with a purple star)? \_\_\_\_\_ d. Florida? \_\_\_\_\_
- A plane leaves from the east coast of the United States at 6:45pm for a seven hour flight to the United Kingdom. What time is it in the UK when the plane arrives?  
 \_\_\_\_\_
